

1. When do intakes open for FWEF funding?

- Funding intakes start with a Letter of Interest, and the time lines and updates will be posted on our website under the “FWEF” tab.

2. How many funding intakes happen annually and why?

- One intake occurs annually. Having one funding intake is the fairest way to decide on an annual basis which projects are best-fit for the funding available.

3. My application was approved! What do I need to have ready to sign a contribution agreement?

- For grants over 15,000 you will need:

 - iii. Proof of organizational bank account
 - iv. Certificate of insurance
 - A copy of your current certificate of insurance which identifies MHHHC as an additional insured on your policy.

5. I failed my eligibility quiz! What do I do now?
