

MAKE A MARK

WITH YOUR CONSERVATION LEADERSHIP

as a Director of the Manitoba Habitat Conservancy

The Manitoba Habitat Conservancy (MHC) is seeking exceptional leaders to join its board to help direct the future of wildlife and habitat conservation in Manitoba.

JOIN MANITOBA'S CONSERVATION LEADER

MHC's board of directors is comprised of professionals from across Manitoba who volunteer their time and talents to further our Mission – to realize enduring conservation benefits through investment in and delivery of initiatives that achieve productive natural landscapes and community well-being. Building on more than 35 years of conservation success, MHC is a trusted partner in conservation. We continue to grow and offer innovative programs that work with individual landowners and benefit all Manitobans. Now operating as an independent charitable organization, MHC is poised for even greater success and conservation impact.

A PLAN FOR THE FUTURE

With its bold new strategic plan, MHC is striving to be recognized as Manitoba's premier conservation organization. As a strategically thinking board member, you can help MHC achieve its priorities by being part of a strong, effective, and representative board.

ELIGIBILITY AND QUALIFICATIONS

A keen connection with Manitoba, its people and nature is key for all nominees. Focusing on inclusivity and diversity, MHC is seeking professional leaders to bring their knowledge, drive, and business acumen to our board table. Specific expertise in non-profit governance, communication and marketing, fundraising, accounting, financial investing, government relations, farming/ranching, Indigenous engagement, and conservation are all assets that you can bring to the board. MHC's bylaws allow for up to 11 directors, who also serve as members, with a minimum of two-thirds being residents of Manitoba. Directors must be at least 18 years of age and may serve up to two consecutive, three-year terms.
